To have a company added to this listing the contractor must provide their PA Contractors Registration number and Certificate of Insurance, which will be maintained on file in the Building / Zoning Department. This information must be kept current or the contractor will be removed from this listing. If you do not carry Workers' Compensation coverage you

will be required to complete our Act 72 "Affidavit of Exemption" form, which must be notarized and will be maintained on file for all work performed in the Borough for a period of twelve months from the date of signing.
