§27-503. Permits and Certificates.

1. *Zoning Permits.* In order to be approved, an application for a zoning permit must show compliance with this and other appropriate Borough ordinances. Applications shall contain information relative to the proposed construction and use in sufficient detail to inform the Zoning Officer of the scope and extent of the proposed development. The exact details required, including sketches, plot plans as well as the number of copies, time limits and fees for such applications shall be determined by the Borough. Permits will be required for: [*Ord. 585*]

A. The erection, adaptation, alteration, or remodeling of any building or structure or portion thereof. [*Ord. 585*]

B. The moving of any building or structure.

C. The use or change in use of a building or structure.

D. The change or extension of a nonconforming use.

E. The construction of sidewalks, driveways, sewer lines, sewer connections, water lines and connections and for any change in contour of land which affects the stormwater drainage.

F. The erection, adaptation or alteration of any sign or billboard.

G. Any physical change or alteration which changes the outside appearance or dimensions regardless of cost, i.e., aluminum siding, new roof, etc.

H. The erection, adaptation, alteration or remodeling of any accessory building less than 192 square feet in area. As well as any activity covered by §27- 106 of this Chapter. [*Ord. 585*]
